

# SLCA SYLLABUS 20172018

## ART INDEPENDENT STUDY

**Mission Statement:** SouthLake Christian Academy exists for the sake of God's glory and mission; proclaiming the gospel and discipling the whole person in all aspects of God's reality.

**Course Description:** Studio practice in the concentration area of discipline and integration of Biblical Scriptures through the art of visual interpretation. This class requires students to initiate art prompts that show a strong understanding of principles and elements of Art in which symbolism, originality, and creativity are incorporated in their composition. Oral or written reviews of the topics of studies are required and are recorded as visual literacy assessments. Students are expected to produce a collective artwork presented in a digital format for college or competition submission. Students at this level are to exhibit their art at the end of the course. Strong drawing skills are required to be considered for this class. Mastery in at least one type of media is mandatory.

**Course Objectives:** Art terms, techniques and history will be taught in such a way that each student will be able to integrate what is learned into other classes, future art classes and life. Having been created in the image of God who is the only true Creator, students will be encouraged to strengthen and stretch their creative abilities and continue to discover the creative abilities God has blessed them with. Students will continue to develop the ability to articulate factual and interpreted information about artwork, both verbally and in writing.

**Evaluation:** ~ Grading is based on peer evaluation, constructive art criticism, and instructor progress feedback. Students must complete a minimum of 5 in studio projects and is encouraged to submit additional work for college submission.
