

Dear Parents:

Thank you for your interest in our school! We are now accepting applications electronically using the online application via our website. Please review the information below for complete instructions. Do not hesitate to contact the Admissions Office at 704-949-2216 should you have further questions.

How to Apply

Applying is easy using our online application found on our website at www.southlakechristian.org (Admissions-->Admissions Process-->Online Application). We encourage families to apply online as it simplifies submission and provides parents a tool for tracking online the status of their admission after their application has been submitted. A non-refundable fee of \$100 must be submitted with each application.

Create an Online Application

To begin the Online Application process, create an account. Then log in to your account and create a new student application for your child. You will then have the flexibility to log in and out of your account and access your open application.

After submitting the application, you will be able to track online your admissions status at the school by logging in to your account. There you will be able to print the completed applications, monitor when the school receives supplemental application forms and, if necessary, reprint the supplemental forms.

In Christ,

Dr. Matthew S. Kerlin, Ph.D.
Head of School
